NO PLACE TO GO

The above picture shows clearly what happens when children have no playgrounds to play in. This mess was made by some children who scribbled first with some charcoal then threw it around. Even worse, some children have thrown stones through windows, splashed paint on walls, etc. This just goes to prove that the first step taken by our Recreation Board should be to provide for all our children over town, good playgrounds with a good fence, first class equipment and a supervisor. Another summer has passed without any of-

ficial town-owned playgrounds. We'd like to congratulate those citizens of Mission Park, who organized themselves, raised money and built a playground for their children.

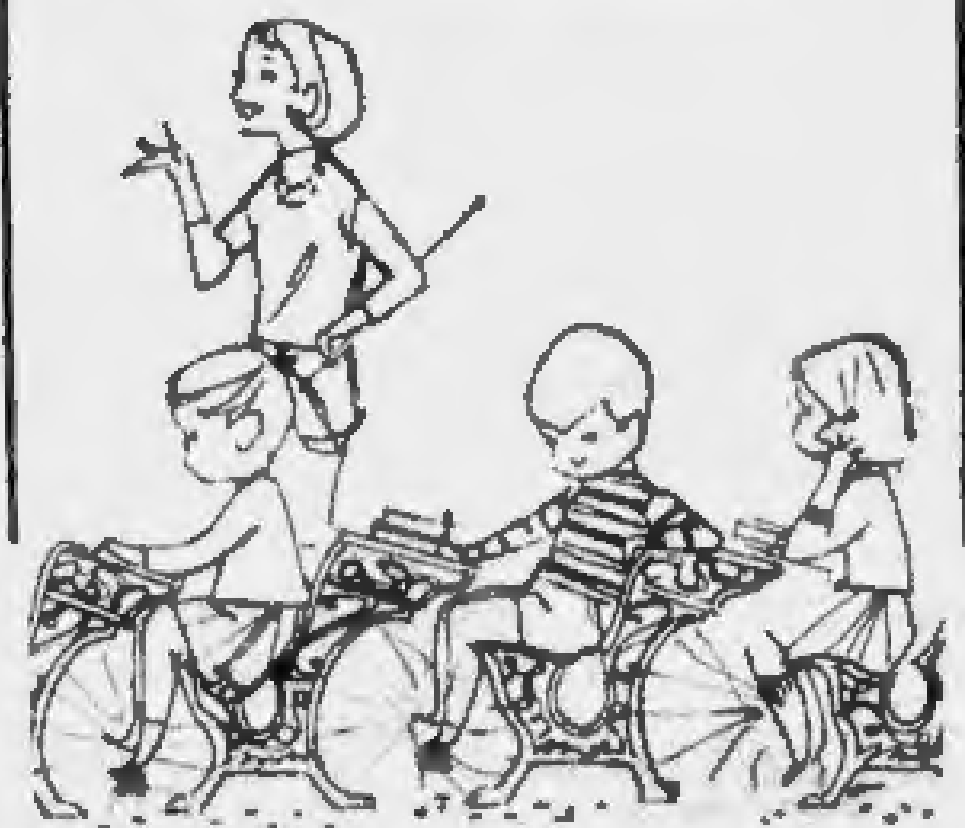

We are anxious to hear the proposals from our Recreation Board to Council and hope that come summer 1964, we will be well prepared with playgrounds and equipment.

If we invite young families to come to live in St. Albert, it is our duty to provide playgrounds for the children of those families so that they won't have to find their playgrounds on the street.

This is the "Gazette Box", located at 45 Sunset Blvd, open 24 hours, for good and bad news. Don't be discouraged if you can't find the opening. The Secret is to lift the rubber flap on top, which is there in case of rain or snow. The box can also be used for "Hunter Want Ads". Don't forget the deadline, not later than 12 noon on Mondays, preceeding the next issue of the Gazette.

NOTICE OF COMPLETION OF VOTERS' LIST

**Notice is hereby given under the provisions of
The Town and Village Act,
that the Voters List of the TOWN OF ST. ALBERT
has been prepared and that a copy of the said
Voters' List is posted in the office of
the secretary-treasurer**

The posted list is open to inspection during business hours.

Any qualified elector may make application for the correction of any error or omission in the said voters' list by serving notice upon the secretary-treasurer in writing on or before the Sixth day of September.

Dated at St. Albert this 15th day of August, 1963.

James B. Gee,

Secretary-Treasurer.

FROM THE TOWN BRASS

Council Meeting, Monday, August 26th, 1963.

The minutes of the previous meeting, held on July 22nd, and resumed July 23rd, July 30th and August 1st, were read and approved.

Replanning Council adopted a replanning scheme in Braeside, which will open the door for a development agreement with Alladin Construction.

R.C.M.P. Report Cpl. Sayhu reported the general situation in St. Albert during July 1963 was favourable.

Parkland - Mission Park There was a request from Mission Park residents asking Council to take over the ownership of their playground which was built and equipped by the residents of Mission Park. Council decided to refer this request to the Town Technical Staff to check to quality of the equipment on this Tot Lot. The staff will report to Council.

Pilgrimage

The Pilgrimage to Our Lady of Lourdes recently was a great success. Fr. Francois McMahon, newly ordained priest, celebrated the mass and blessed the pilgrims present. Fr. Maurice McMahon gave the sermon. The deacon was P. Morin and subdeacon was Rev. Paul Labelle. In the afternoon the sermon was given by Fr. Gilbert, O.S.M. cap. Monsignor Lyons presided at the Benediction of the Blessed Sacrament. The 4th Degree Knights of Columbus Guard of Honor was present.

Federation of Mayors and Municipalities Council will decide after the 1964 budget is prepared if they will become a member of this Federation. During the discussions, some of the Councillors referred to Mr. Gee as Senior Administrator and others used the term Secretary Treasurer, much to the confusion of everyone. Thank You Council will send a card of thanks to Mr. Jim Roberts for a job well done in building a very nice modern fire hall. This suggestion was made by Councillor DeBruin.

\$13,000 BILL

continued from page 3

More Bills? Bills from OK Construction, approved by Walker and Newby in 1959-1960 came as a big surprise to the Council during this meeting. These bills had been overlooked until now as a former employee had filed them away and they were not discovered until now, when they were presented to Council, with the request that Council pay this \$13,000. Councillor DeBruin, as chairman of the Finance and Public Works Committee, which brought this surprise to the Council, found the whole case very serious and strange. He moved a special committee be formed to investigate this matter and report to Council about this \$13,000. Councillor DeBruin also wondered how many more bills are filed away.

Recreation and Community League A letter from the St. Albert Community League asked Council for financial support in their Recreational activities in the town of St. Albert. Mayor Veress suggested that the whole recreation business should be discussed between Council, Recreation Board, Community League and the Recreation Director as soon as possible. Council accepted this idea and decided to have a meeting on Friday, September 6, at 8 p.m. in the Town Hall.

Break-In Senior Administrative Officer, Mr. Gee, reported to Council that the Town Hall had another break-in last Friday. The door of the library was heavily damaged but nothing was missing. Cost of repair will be approximately \$50. The staff of the Town Hall have made arrangements to make future burglaries almost impossible.

of these cards so as to insure treatment while the dental officer is in the school.

Dr. V. E. Potter, Dental Health Officer of the Sturgeon Health Unit, points out that this program of preventative dentistry will also include instruction in oral hygiene and proper brushing habits. Each child will be given a tooth brush of his own color choice to encourage good dental habits at home.

Floridated Water - Asset

Dr. Potter feels St. Albert children have a distinct advantage in the fight against tooth decay - floridated water. Statistical reports throughout North America show 60% reduction in cavities over a 5 year period in areas where water is floridated. The topical florides used in teeth painting reduces cavities 35%. A worth while step toward dental health!

New to the Sturgeon Health Unit, Dental Hygienist, Miss Geraldine Patterson, will assist Dr. Potter. Miss Patterson is a graduate of the 2 year Dental Auxiliary course at the University of Alberta. Dr. Potter hopes future programs will include other grades. For the moment though, time limits the program to grade one children. However, anyone can receive this dental care: examination, cleaning and fluoride painting. This is purely voluntary and appointment only. Call the Sturgeon Health Unit 599-7545.

DRAMA SEMINAR

Greetings fellow drama enthusiasts! Just returned from the 4th annual Drama Seminar at Olds, Alberta, a bit exhausted but truly satisfied with the wonderful teaching and rewarding experiences. The seminar was organized under the capable direction of Mr. Jack McCreath. Its success measured by the evident enthusiasm of the participants, resulted from Jack's good planning.

This year's courses included Movement Classes under Dr. Peter Ajello. He taught us the importance of an actor's body movements on stage. Choral Speech classes were directed by an instructor from British Columbia, Tom Kerr. The value of Choral Speech was outlined in detail and students communicated the feeling of enthusiasm and crispness in speech to the audience. Acting lessons by Miss Norma Springford were well received by the students. The diversified interpretations of identical sets of circumstances were stressed in improvisation classes under Jack McCreath. The enthusiasm, vitality and creativity came to a spearhead with the arrival of Sir Tyrone Guthrie. Sir Tyrone is internationally recognized as the leading director in the theatre. The founder of

the Stratford Theatre in Canada and of the Minneapolis Tyrone Guthrie Memorial Theatre in America. He was greatly admired by the seventy-five excited students gathered in the Olds Agriculture School Auditorium.

Informal lectures with Sir Tyrone, truly gave one a feeling of humility and humbleness, but every syllable was absorbed to the saturation point, by the quietly listening class. A step-by-step lecture concerning the Minneapolis Theatre, gave insight to some of the intricacies of a director's task.

Although the seven days of lecturing had exhausted everyone, including the instructors, the stimulation of one's mind bore worthwhile fruits of satisfaction and priceless memories for everyone. Next year, we urge you to apply for admission to this wonder of wonders, The Olds Drama Seminar, referred to as "Unique in Canada". Any further enquiries about the seminar will be gladly answered at the next meeting of the St. Albert on Sturgeon Players. Show your interest by showing your face at our next get-together!

ROYAL AIR CADETS HAD A GOOD TIME AT SUMMER CAMP

Members of 533- St. Albert Squadron sponsored by the St. Albert Lions Club are currently at Air Cadet Summer Camp, R.C. A.P. Station, Vancouver. The 1963 Summer Camp consists of three two week entries. The first entry arrived the week end of July 7 and the final entry is to arrive Aug 4.

Wherever possible Air Cadets are Air lifted by the RCAF. Alberta Cadets who formerly took over a day to come from Calgary, now make the trip by Hercules Air Craft in less than two hours— one hour and twenty minutes to be exact. A well planned training program is in operation. Aside from academic subjects the curriculum stresses outdoor athletic activities. Organized sports in which all cadets participate occupy a major portion of the cadets' time. The Empire Pool at UBC is most popular. Here, each year, some 400 non swimmers learn the art. All receive instruction in first aid in case of drowning. Competition is keen at the camp swim meet the last Thursday of camp. Equally keen is the rivalry at the big sports meet held later in the day.

Off base entertainment is provided by well organized tours and trips. A conducted bus tour has been arranged for the first week end in camp.

The cadets are billeted in barracks on the air base. They are under round the clock adult surveillance from the time they leave home until they return. Excellent messing facilities are provided, three full meals per day and a night time snack make the mess hall a most popular spot.

Full medical care is available - the cadets have their own camp medical officer and staff.

For approximately 700 this has been the first trip away from home-homesickness is the exception rather than the rule. The boys return home having had a most worth while on-the-job training in citizenship at one of Canada's top boys' camps.

STURGEON VALLEY

GOLF PRO

Billy Wright, Jr., recently placed 1st in the Canadian P.G.A. tournament at the Mayfair Golf Course. Al Balthus of Toronto, placed first with 202, followed by Stan Leonard of Vancouver with 204. These names are known to all, even us non-golfers, so we can be justly proud of 'little Billy'. Anyone thinking of joining our Sturgeon Valley Club can be sure of top quality coaching from the 'pro' whose score in the tournament was 207!

Billy is currently in Jasper doing a TV series which will feature the 12 top pro's in Canadian Golf. This series is to be shown on the network this week. Billy is only 22 years old and recently became engaged to Miss Linda Percival of Edmonton. Their wedding date is October 5, 1963.

Good luck in both 'careers', Billy Wright.

MILL RATE

James B. Gee, Senior Administrator of the Town of St. Albert, announced that the Council of the Town has struck a mill rate of 55 mills. After some months of careful consideration, Council decided that the mill rate should be such that all the Town's operations for 1963 be provided for. As well as providing for necessary expenditures during the year, the budget provided a small surplus of \$13,000. Tax notices will be mailed to property owners during the month of September.

POST OFFICE

The new addition to the St. Albert Post Office has been completed. Some 50 new postal boxes are now in operation. Approximately 230 of these have already been rented. The staff's working space is now double to that previous of the enlargement. Miss T. Michelot, Postmaster, hopes the additional space will prove adequate for the Christmas season. A few short months will tell the tale. The modern appearing building does not have air-conditioning. One wonders if the Postmaster General in Ottawa works in a stuffy un-airconditioned office.

HERACLES

This is the Heracles, the St. Albert Jr. Soccer Club during a game against an Edmonton Junior team. Practises will begin again on Saturday, September 14th, and every Saturday after, at 9 a.m. The place is as before, Vital Grandin School on the playing field unless the weather forces them inside to the gym. All boys between the ages of 9 and 16 are welcome. There is no charge, and all that is needed are running shoes and shorts. A group of senior soccer players are interested in forming a St. Albert Senior Soccer Club. Anyone interested phone Mr. Lansing, 599-6973.
